## WASTE FREE LUNCH

On **MONDAY, SEPTEMBER 17** we are having a school-wide Waste-Free Lunch Day. On this day, students will be asked to bring a lunch that has no waste.

A waste-free lunch **may include:**

- Reusable lunch bag/box
- Reusable sandwich container
- Reusable drink container
- Reusable containers (for veggies, yogurt, snacks)
- Reusable cutlery
- A cloth napkin
- Whole fruit

A waste-free lunch **does not include:**

- A paper or plastic lunch bag
- Sandwich baggies
- Individually wrapped lunches and snacks
- Disposable cutlery
- Paper napkins

Packing a waste-free lunch for your child not only helps cut down on the amount of waste we generate, it also helps children learn about the importance of making the 3Rs a part of their daily routine.
