

WINTER CLOTHES

Students continue to go outside for recess and lunch. **Please** ensure your child is dressed for the cold weather. We want students to have socks, hats, mittens, snow pants, coats, and boots. It is also important that students have INDOOR FOOTWEAR, preferably sneakers. The winter brings in wet feet from outdoors making the floors wet at times. We also practice unannounced fire drills. Students who do not have on the proper footwear will not have time to put their boots on. Indoor footwear is also a must when participating in activities in the gym.

SNOW SAFETY TIPS

Please remind children that when traveling to and from school to take extra caution when crossing roads. Snow banks make it very difficult to see children waiting for the bus or looking to cross the road. It might be hard for drivers to see you playing if they have snowy or frosty windows. Icy roads can also make it difficult to stop. Do not play on roadside snow banks, snowplow drivers or other drivers may not see you.

Be Safe ☺

BREAKFAST CONTINUES EVERY FRIDAY!
Volunteers always welcome!!
