

January 2019
WELCOME BACK TO ANOTHER SCHOOL YEAR TERM!!

www.chsmes.ca

It is the place to keep up to date on what is going on at CHSMES. Classroom updates and information are available under the teacher pages on the website. This is a good place to see what your child's classroom is currently doing and a great way to communicate with your child's teacher and any other staff at the school. CHSMES will continue to send home important notices should the need arise. You will also find this on our website!! Should you have any questions about our website, you may call the school at 462-9683.

NEW YEAR REMINDERS

PROPER CLOTHING AND FOOTWEAR: Students continue to go outside for recess and lunch. Please ensure your child is dressed for the weather. We would prefer hats, mittens, snow pants, coats, and boots. It is also important that students have INDOOR FOOTWEAR, preferably sneakers. The winter brings in wet feet from outdoors making the floors wet at times. We also practice unannounced fire drills. Students who do not have on the proper footwear will not have time to put their boots on. Indoor footwear is also a must when participating in activities in the gym.

COLDS AND FLU: It is that time of year for the cold and flu. If a child should become ill during the school day, parents will be notified and the child will be sent home. Should your child be not feeling well prior to coming to school, please let your child stay home. It is better to be on the safe side and help prevent the spread of the cold germ.

CONTACT INFORMATION: If your contact information has changed such as home, cell and emergency contact. Please contact the school as soon as possible so that we may update this information. This is very important should an emergency or early school closure occur.

NO SCHOOL: MONDAY, JANUARY 28 - PROFESSIONAL DEVELOPMENT DAY!!
