**SNOW SAFETY TIPS**

Please remind children that when traveling to and from school to take extra caution when crossing roads. Snow banks make it very difficult to see children waiting for the bus or looking to cross the road. It might be hard for drivers to see you playing if they have snowy or frosty windows. Icy roads can also make it difficult to stop. Do not play on roadside snow banks, snowplow drivers or other drivers may not see you.  
 Be Safe ☺
